

New Way for Claimants to Access Their Claims

We are thrilled to announce the launch of our redesigned mobile platform, giving claimants secure, instant access to their claim information right from any web browser — no app download required.

What to Look Forward To:

No App Needed

Claimants access everything through their phone's browser at claimant.tristarconnect.ai — no memory space required, nothing to download, install, or update.

Multi-Language Support

Fully integrated Spanish at launch, with more languages to come. Communicate in your own language.

Document Uploads

Claimants can submit completed forms and upload documentation directly from their device storage or camera.

Enhanced Privacy:

Information goes directly to TRISTAR with no in between – protecting sensitive health and per

To make room for this next-generation experience, the TRISTAR mobile app is being retired. No new updates will be added to the old app as we shift all focus to supporting the new, browser-based platform at <https://claimant.tristarconnect.ai>
